A career in nursing offers intellectual challenges, the use of science and technology, a multi-disciplinary approach to healthcare, a variety of work opportunities, career progression, security, and the chance to make a difference in life.

The Nursing Careers Program sponsored by McLaren Flint has been developed to address an increased need for qualified nurses and to invest in our community by providing career opportunities, which will support the local healthcare system. This program financially helps individuals that want to make nursing their career of choice.

**The Following Scholarships are Available Through the Nursing Careers Program:**

**Nursing School Senior** [awarded to an individual who is not currently a McLaren Flint employee]

\$4,000 lump sum given to seniors within one year of graduating to apply toward the cost of completing the nursing program. 18 month work commitment required.
