

The American Heart Association strongly promotes knowledge and proficiency in BLS, ALCS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association, and any fees charged for such a course do not represent income to the Association.

Program Objective

The objective of Advanced Cardiac Life Support is to provide participants with knowledge and experience to be proficient in administering Advanced Cardiac Life Support according to American Heart Association Standards.

McLaren Flint is accredited by the Michigan State Medical Society Committee on CME Accreditation to provide continuing medical education for physicians.

McLaren Flint designates this educational activity for a maximum of 6 AMA PRA Category 1 Credits TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.
