**Patient Complaint & Grievance Process**

At McLaren Macomb we are committed to providing compassionate care and excellent service. It is our goal to ensure the best possible experience for each patient we treat. If our service does not meet your expectations, we want to know about it, as we are continuously seeking opportunities to enhance the service we provide.

**Voice Your Concerns**

Any patient, or anyone speaking on the patient's behalf, is encouraged to share concerns or complaints regarding care or services provided with any member of our team. All team members are empowered to initiate a swift resolution to virtually any issue that may arise, so complaints or concerns should be raised with those providing your direct care as issues occur. Patients are also free to call our Patient Experience Department at (586) 493-8600. The Patient Experience Representative can provide additional assistance in immediately resolving patient concerns. Every effort will be made to resolve issues as quickly as possible.

In cases in which immediate resolution is not possible, patients will receive a follow-up letter within seven (7) days, outlining the resolution and/or status of the complaint. Additional correspondence will be forwarded as necessary to keep the patient apprised of the process until the complaint has been resolved. If the patient does not find the resolution to be satisfactory, a request for a formal grievance may be placed by contacting the Patient Experience Representative, at (586) 493-3610.

Patients are also advised that if they have concerns about quality of care, coverage, or premature discharge, they may contact:

KEPPAC (Quality Improvement Organization)  
Beneficiary Complaints  
6201 West Kennedy Boulevard, Suite 900  
Tampa, Florida 33609
