ACCESS YOUR HEALTH
INFORMATION ONLINE WITH
**INTELICHART
PATIENT PORTAL.**

McLaren believes in empowering patients to manage their health by providing convenient access to their health information. That's why we've created IntelliChart Patient Portal, a secure online portal where patients can access their medical information 24 hours a day, seven days a week.

With a free IntelliChart Patient Portal account, patients can:

- Access their medical information 24 hours a day, seven days a week.
- Review clinical summaries and care instructions about recent visits.
- Get lab and test results.

All you need to create an IntelliChart Patient Portal account is to provide a valid email address during registration at the hospital or your next visit to a McLaren physician office or outpatient facility.

Spec Info: Please make sure to use the file dated 2/2020, not the one from 10/18. Thanks!
