As a patient of McLaren Macomb you have the following rights and responsibilities:

No discrimination: A patient will not be denied appropriate care on the basis of race, religion, color, national origin, sex, age, disability, genetic status, marital status or sexual orientation.
Right to privacy: A patient has the right to control their personal health information.
Right to informed consent: A patient has the right to be informed of the risks, benefits, and alternatives to a proposed treatment or procedure.
Right to refuse treatment: A patient has the right to refuse treatment or to stop treatment at any time.
Right to emergency care: A patient has the right to receive emergency care without being asked for insurance information.
Right to financial assistance: A patient has the right to request financial assistance for the cost of care.
Right to a second opinion: A patient has the right to request a second opinion from another healthcare provider.
Right to participate in research: A patient has the right to participate in research studies.
Right to a copy of records: A patient has the right to request a copy of their medical records.
Right to a grievance procedure: A patient has the right to file a grievance if they are dissatisfied with the care they receive.
Right to a complaint procedure: A patient has the right to file a complaint if they are dissatisfied with the care they receive.
Right to a fair hearing: A patient has the right to a fair hearing if they are dissatisfied with the results of a grievance or complaint procedure.
Right to a fair appeal: A patient has the right to a fair appeal if they are dissatisfied with the results of a grievance or complaint procedure.
Right to a fair review: A patient has the right to a fair review if they are dissatisfied with the results of a grievance or complaint procedure.
Right to a fair investigation: A patient has the right to a fair investigation if they are dissatisfied with the results of a grievance or complaint procedure.
Right to a fair resolution: A patient has the right to a fair resolution if they are dissatisfied with the results of a grievance or complaint procedure.
Right to a fair outcome: A patient has the right to a fair outcome if they are dissatisfied with the results of a grievance or complaint procedure.
Right to a fair process: A patient has the right to a fair process if they are dissatisfied with the results of a grievance or complaint procedure.
Right to a fair system: A patient has the right to a fair system if they are dissatisfied with the results of a grievance or complaint procedure.
Right to a fair culture: A patient has the right to a fair culture if they are dissatisfied with the results of a grievance or complaint procedure.
Right to a fair environment: A patient has the right to a fair environment if they are dissatisfied with the results of a grievance or complaint procedure.
Right to a fair community: A patient has the right to a fair community if they are dissatisfied with the results of a grievance or complaint procedure.
Right to a fair society: A patient has the right to a fair society if they are dissatisfied with the results of a grievance or complaint procedure.
Right to a fair world: A patient has the right to a fair world if they are dissatisfied with the results of a grievance or complaint procedure.

Spec Info:
