**OPIOID START TALKING**

(MUST BE INCLUDED IN THE PATIENT'S MEDICAL RECORD)

Patient Name _____		Date of Birth _____
Name of Controlled Substance containing an Opioid _____		
Strength _____	Quantity Prescribed (For a minor, if signature is not the parent or guardian, the prescriber must limit the opioid to a single, 72-hour supply)	
<input type="checkbox"/> Acute pain 1-3 days (No MAPS check required) <input type="checkbox"/> Acute pain 4-7 days - MAPS check, date _____ <input type="checkbox"/> Chronic pain greater than 7 days - MAPS check, date _____		
<p><b>A controlled substance is a drug or other substance that the United States Drug Enforcement Administration has identified as having a potential for abuse. My provider shared the following:</b></p> <ol style="list-style-type: none"> <li>The risks of substance use disorder and overdose associated with the controlled substance containing an opioid.</li> <li>Individuals with mental illness and substance use disorders may have an increased risk of addiction to a controlled substance.</li> <li>Mixing opioids with benzodiazepines, alcohol, muscle relaxers, or any other drug that may depress the central nervous system can cause serious health risks, including death or disability.</li> <li>For a female who is pregnant or is of reproductive age, the heightened risk of short and long-term effects of opioids, including but not limited to neonatal abstinence syndrome.</li> <li>Any other information necessary for patients to use the drug safely and effectively as found in the patient counseling information section of the labeling for the controlled substance.</li> <li>Safe disposal of opioids has shown to reduce injury and death in family members. Proper disposal of expired, unused or unwanted controlled substances may be done through community take-back programs, local pharmacies, or local law enforcement agencies. Information on where to return your prescription drug can be found at <a href="http://www.mcclaren.com/medication">www.mcclaren.com/medication</a>.</li> <li>It is a felony to legally deliver, distribute or share a controlled substance without a prescription properly issued by a licensed health care provider.</li> </ol>		
<p><b>I acknowledge the potential benefits and risks of an opioid medication as described by my provider along with the responsibility of properly managing my medication as stated above.</b></p>
