Introduction

This document expresses my preferences about my medical care if I cannot communicate my wishes or make my own health care decisions. I want my family, doctors, other healthcare providers, and anyone else concerned with my care to follow my wishes. For this reason, I give my patient advocate permission to share this document with doctors, hospitals, and health care providers that provide care to me. Likewise, health care providers with whom I have given this document may share it with other providers involved in my care. Any document created before this is no longer legal or valid.
